Our Kiosks

All SecureGive Kiosks Include:

- Contactless payment capability, making it easy to give using Apple Pay, Google Pay, Samsung Pay, or any credit or debit card
- Encrypted card readers to ensure the highest level of security
- The ability to accept donations and purchases
- Access to SecureGive's analytics and reporting dashboard

iPad Series

The iPad series kiosks provide a modern design at a low price point. Portability makes these kiosks versatile. With fully encrypted card readers, you can rest assured that your donor's data is secure.

iPad series kiosks are most effective when used in groups to enhance visibility and awareness or as secondary kiosks to larger units. This series is also ideal for popup bookstores and merch sales.
